PROFESSIONAL SUMMARY

3rd-year Software Engineering undergraduate at SLIIT (GPA 3.45) with hands-on experience in full-stack MERN development, microservices architecture, and Android development with Kotlin. Built production-grade systems including a containerized healthcare platform deployed with Docker and Kubernetes. Quick learner who thrives in collaborative, Agile environments and is passionate about crafting clean, scalable software solutions.

EDUCATION

Sri Lanka Institute of Information Technology (SLIIT)

2023 – Present

BSc (Hons) in Information Technology – Software Engineering Specialization

GPA: 3.45 (first four semesters) | Expected Graduation: June 2027

H/Debarawewa Central College, Tissamaharama

2022 / 2023

GCE Advanced Level – Physical Science Stream (Combined Mathematics, Physics, Chemistry)

Result: 3Cs

H/Debarawewa Janadhipathi K. Vidyalaya, Tissamaharama

2018

GCE Ordinary Level

Result: 7As, Bs, and Cs (including Information Technology, Commerce, Music)

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, Python, Kotlin, PHP, C, C++

Frameworks & Libraries: React, Node.js, Express.js, Tailwind CSS

Databases: MongoDB, MySQL

DevOps & Cloud: Docker, Kubernetes, Docker Compose, Render

Mobile Development: Android Studio, Kotlin, XML

Version Control: Git, GitHub

Tools & IDEs: VS Code, IntelliJ, Eclipse, Postman, Figma, SQL Workbench

Architecture & Concepts: Microservices, REST API, OOP, JWT Auth, Agile, Data Structures & Algorithms

Soft Skills: Communication, Teamwork, Problem Solving, Leadership, Adaptability, Time Management

PROJECTS

Nexus Health – Telemedicine & Patient Care System

Mar – Apr 2026

Full-Stack Web Application | MERN, Microservices, Docker, Kubernetes

- Architected a full-stack healthcare platform using Microservices Architecture with an API Gateway and seven independent services (Patient, Doctor, Appointment, Payment, Video, AI Symptom, Notification).
- Implemented secure JWT-based authentication and role-based access control with admin operations for user management and doctor verification.
- Integrated Stripe payment processing, video consultations, and an AI-powered symptom-based specialty recommendation engine.
- Containerised all services with Docker Compose and authored Kubernetes manifests for scalable cloud deployment.

Tech Stack: React, Node.js, Express, MongoDB, Tailwind CSS, Docker, Kubernetes, JWT, Stripe | [GitHub](#)

Smart Water – SDG 17 Smart Water Tracking System

Mar – Apr 2026

Full-Stack Web Application | MERN, Jest, Supertest, Artillery

- Built a full-stack household water management system supporting end-to-end monitoring and conservation workflows.
- Developed sustainability modules for water-usage tracking, personalised water-saving plans, carbon-footprint analytics, leaderboard insights, and admin notifications.
- Achieved comprehensive test coverage using Jest, Supertest, and Artillery (unit, integration, and performance tests).

Tech Stack: React, Node.js, Express, MongoDB, Tailwind CSS, JWT, Jest, Supertest, Artillery | [GitHub](#)

Aqua Peak – Fish Farm Management System

Jul – Aug 2025

Full-Stack Web Application | MERN Stack

- Developed a MERN-stack application to digitally transform real fish farm operations.
- Built RESTful APIs for managing fish stock, feeding schedules, health monitoring, and farm analytics.

Tech Stack: React, Node.js, Express, MongoDB, CSS, JWT, Postman | [GitHub](#)

Daylog – Daily Habit Tracker

Jul – Aug 2025

Android Mobile Application | Kotlin

- Built a native Android app in Kotlin featuring daily habit tracking, an emoji-based mood journal, and hydration reminders.
- Implemented local data persistence using SharedPreferences and designed an intuitive, accessible UI/UX.

Tech Stack: Kotlin, XML, Android Studio, SharedPreferences

CERTIFICATIONS

- AI/ML Engineer – Stage 1 | SLIIT
- Docker Foundations Professional Certificate | LinkedIn Learning / Docker
- Practical GitHub Actions | LinkedIn Learning
- AWS S3 Basics | Coursera / Amazon Web Services
- Certificate in English Language | Vocational Training Authority of Sri Lanka
